WE DON'T.

After a disaster stops “trending” and the media leaves the scene, Concern stays behind to finish what we started. When a natural disaster, health epidemic or human conflict strikes, our response is not only to save lives, but to help the most vulnerable communities stand on their own again. Our work isn’t just about showing up, it’s about following through.

CELEBRITY GOLF CLASSIC

WE SALUTE OUR VETERANS

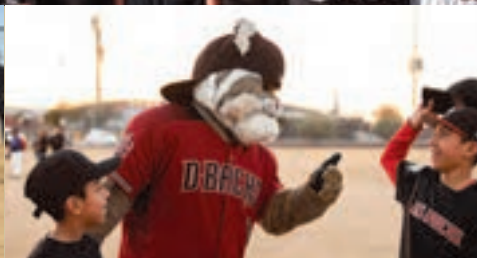

Each Veteran's Day weekend, the Arizona Diamondbacks host the annual D-backs Celebrity Golf Classic presented by BMW. Since the tournament's inaugural event in 2011, the Arizona Diamondbacks Foundation has donated more than \$1.2 million to non-profit organizations and programs that embrace and improve the lives of our Military heroes. For more information about foursomes or sponsorship, please e-mail dbacksfoundation@dbacks.com.

YOUTH JERSEY PROGRAM

In the Spring of 2014, the Arizona Diamondbacks Foundation launched the D-backs Give Back Youth Jersey Program, providing youth baseball and softball leagues across Arizona with high-quality jerseys and caps at no cost. The program has significantly offset diminishing resources and has allowed participating leagues to reallocate funds toward equipment, registration fees and facility improvements.

In partnership with Fry's Food Stores, Tide, and Phoenix Children's Hospital, the program includes 111 leagues across Arizona with more than 55,000 participating youth baseball and softball players.

FOR MORE ABOUT THIS PROGRAM

The Arizona Diamondbacks are proud to be the only Major League Baseball team to host a youth baseball and softball tournament for Native American youth. The annual event typically draws over 1,000 Native American athletes from across the United States.

Since 2000, the Arizona Diamondbacks Foundation has built or refurbished 43 baseball and softball fields representing a community investment of more than \$10 million. With support from APS, and charitable contributions from D-backs players, the program has allowed children from across the state to play baseball and softball at quality facilities. The fields generally feature new lights, a branded electronic scoreboard, new fencing and backstops, new irrigation and new grass and dirt with additional support provided by local contractors and businesses.
